

## You Make The Difference® Facilitator Training Workshop

You make the difference...that's the message The Hanen Centre, has been sharing with parents around the world for over 30 years with the help of the *You Make The Difference* Resources, Program and **YOU!**

Come and take part in this internationally-recognized and highly-respected professional development opportunity. The *You Make The Difference* 3-Day licensing workshop provides intensive, small-group training to Family Support Professionals who provide parent education to families of typically developing children birth to six years – families of children who may be at risk in their learning due to social or environmental challenges. Drawing on best practices in adult education and early childhood learning, this workshop will give you the tools to empower parents so they have the knowledge and skills to foster and enrich their child's social, language and literacy development.
